

Serenity's Fall Newsletter

As the leaves change colour we look back on all the interesting things we did this summer. We visited Tower Hill and The Museum which was a look back at Parry Sound and its history. Alice even found a few pictures of herself in one of the novelty books there at the museum, what a great look back in time.

The Knights of Columbus were so generous to put on a luncheon with a ride around the golf course at Parry Sound Golf and Country Club. What a rainy drizzly day, it was but everyone was smiling.

A new music jam is in town. Every second Tuesday night we go to The United Church and listen to country music performed by local artists. Lots of singing and dancing make this night out fun.

Shake a leg Eddie !!!

One of our favourite days was a beautiful sunny day at Foley Matheson Beach. We swam and soaked up the sun. Took along a picnic lunch, which we ate under a big old pine tree in the shade. Christine brought her grandson which made for lots of fun! Kala's horses were a pleasure to see, they were so gentle with us. They got lots of apples to eat for sure that day. No summer is complete without seeing wild life so we went to Aspen Wildlife Sanctuary to see some rescued animals. The Silver Arctic Fox was a rare sight.

Dairy Queen for ice cream was our next stop with treats provided by Cheryl brought big grins from chin to chin ! Cheryl has invited us back again next year, Thanks Cheryl !

On August 30 we had an adventure at the Elmsvale Zoo. What an exciting day full of touching and feeding all kinds of animals. We had perfect weather, not too hot, not too cold!

We had a 100th birthday party for Reg on August 26, an event complete with family and friends. A turkey lunch with all the trimmings and of course birthday cake. Along with a letter from Queen Elizabeth was given to congratulate him on 100 years. Live country music by Mike Duenkel was very entertaining to end the perfect party.
